(toe heel strut bumping hips forward and back making a ½ turn right)

7-8 Rock/step right back, Recover weight forward on left 9:00

RESTART

Notes: No where near as hard as it looks on paper, was actually going to put easy intermediate as the level but decided against it.

Really step the dance out, use loads of styling (funky) and don't be afraid to use those hips. Especially in the hip roll on counts 17-18 and the hips bumps. Have fun.
